

2018 Candidate Questions - Whitehorse Municipal Election

The Whitehorse Urban Cycling Coalition (WUCC) is an organization of cyclists interested in working to improve the urban environment to make cycling safer and more accessible for Whitehorse citizens of all ages and abilities. This is through infrastructure improvements, education and increased communication between the stakeholders of our streets and trails.

WUCC is posing the following questions to all candidates in the 2018 Whitehorse municipal election. We look forward to your responses, which will be published on our website (<https://wucc.ca/>) and communicated to our members.

***Please limit responses to each question to 100 words.
We ask that you send back your response by October 15.***

1. Given that a substantive portion of Whitehorse's population does not have the privilege to operate a private automobile, what are your suggestions to address the transportation inequity of our community's built environment?
2. More Whitehorse residents are choosing cycling as a year-round transportation option. What are your thoughts regarding prioritizing winter maintenance for vulnerable road users?
3. If elected, what would you do to expedite the implementation of Whitehorse's new Bicycle Network Plan?
4. What are your thoughts on using the Parking Reserve Fund to improve Active Transportation considering that almost every bike used to commute to work frees up a parking space for someone else?
5. *On the lighter side:* have you ever...
 - Commuted to work / school / for errands on a bike?
 - Ridden a fatbike?
 - Ridden with a young child?
 - Ridden an electric bike? or
 - Ridden a unicycle?
